

What to Bring:

Shot Records:

Dogs include **Rabies, Distemper and Bordetella** to be given at least 2 weeks before visit

Cats include **Rabies, Feline Leukemia, and FVRCP** to be given at least 2 weeks before visit

We require that all pets have a **monthly flea and tick application.**

Food: prepackaged in ziplock baggies for each meal
(am and pm feedings)

Check In Sheet filled out for each stay. **Pet Application** filled out for our new customers. Both are located on the website for your convenience to print off and fill in at home.

Optional: treats, bedding, toys and food enticers (i.e. can food etc.)
